- Ring 2 - Susanna Zubair - Golden Retriever Club Specialty KCM with double CAC - 2025-05-29 - Ring

11 month mid gold girl with nice proportions; balanced short coupled body. Good length neck and well placed shoulders; correct topline and tailset; good forechest; would prefer a little bit more length of upper arm and stronger front pasterns; lovely short hocks that she uses well on the move; pretty feminine head of good proportions; very nice handled and presented
